DEDICATION

The annual staff takes pride in dedicating the 1948 El Recuerdo to Mr. John S. Cornelius, the senior class counselor. Our own Mr. Corny has that ability which so few possess, and which has been a help and inspiration to this year's senior class: the ability to smile when others have no smile, to advise when others merely pass judgment.

FOREWORD

Amidst the hurry, trouble and chaos of our present world, we take you back through centuries, into the past, when cavemen and monsters, we fancy, basked in the sun or hid from the rain in simple fashion and had no enemies mightier than the elements.

MR. LEWIS F. SMITH
Principal

An institution like Grossmont needs careful planning and leadership, these important factors have been supplied by our fine principal, Mr. Smith. He is a friend of all who know him and an inspiration to us all.

BOARD OF TRUSTEES

Lewis F. Smith, Principal; Conrad Cooper; Irma Sears; Harold G. Hughes; Charles A. Foster; Rexford A. Hall; Claude A. Beagle; Lester A. Freeman.

The many activities of our ever able Vice-Principal, Harold G. Hughes, include the details of school administration which vary from conferences with the architect of our new building to the budget for our next year's scratch paper.

HAROLD G. HUGHES

MR. JOHN CORNELIUS

Senior Counselor

The seniors owe a large vote of thanks to their helpful counselor Mr. Cornelius in making their last year at dear G.U.H.S. an enjoyable and profitable one.

MISS ETHEL I. PROSSER

Junior Counselor

The example Miss Prosser sets for all of us is one of cheerfulness and efficiency. She is always ready to help out those who come to her. Miss Prosser is Dean of Women and cooperation seems to be the motto she goes by in her daily work.

MR. HART

Mr. Hart has to be a perfect cross between a cave-man and a bobby-soxer this year, as all the jobs seem to fall on him. He is not only the sophomore counselor but also the Director of all the counseling, in charge of the veterans program, the vocational career conference, and the testing program.

MISS ELIZABETH PETERS

Freshmen Counselor

The frosh got off to a good beginning this year with the guidance of their very capable counselor, Miss Peters. This is the first year of counseling for Miss Peters and all the frosh will agree she has made a success of it.

NURSES

Do you have any aches or pains of any kind? If you do you can always find relief from your ailments in the quiet and efficiently run nurse's ofice. Mrs. Eddie S. Parvin is the Senior nurse in charge and Mrs. Sylvia Anne Chambers is her helper.

MRS. NEWELL

Bobby-soxers or stone-agers, girls are always losing things. In the girl's P.E. department the reliable Mrs. Newell is the person that keeps track of the girl's belongings and finds their lost articles.

OFFICE STAFF

The office staff is an efficient unit of hard working secretaries, receptionist, bookkeepers, and question answerers. They keep bulletins out, grades recorded, telephones answered, money straight, attendance records, and millions of other jobs that keep our school running with the wheels of progress.

CUSTODIANS

Custodians have a large job keeping the grounds of Grosmont clear of dinosaur bones and other fossils. Their work never ends and you'll never see any of these men loafing.

BUS DRIVERS

Riding dinosaurs to school has become old fashioned even with us so we had to turn to the more modern method of transportation . . . buses! The buses are driven by the ex-dinosaur jockeys so we always get to school on time!

CAFETERIA

Will you have some dinosaur meat, or say, sabre candy? If you do, just walk up to the cafeteria where the courteous employees will serve you anything in the line of "chow."

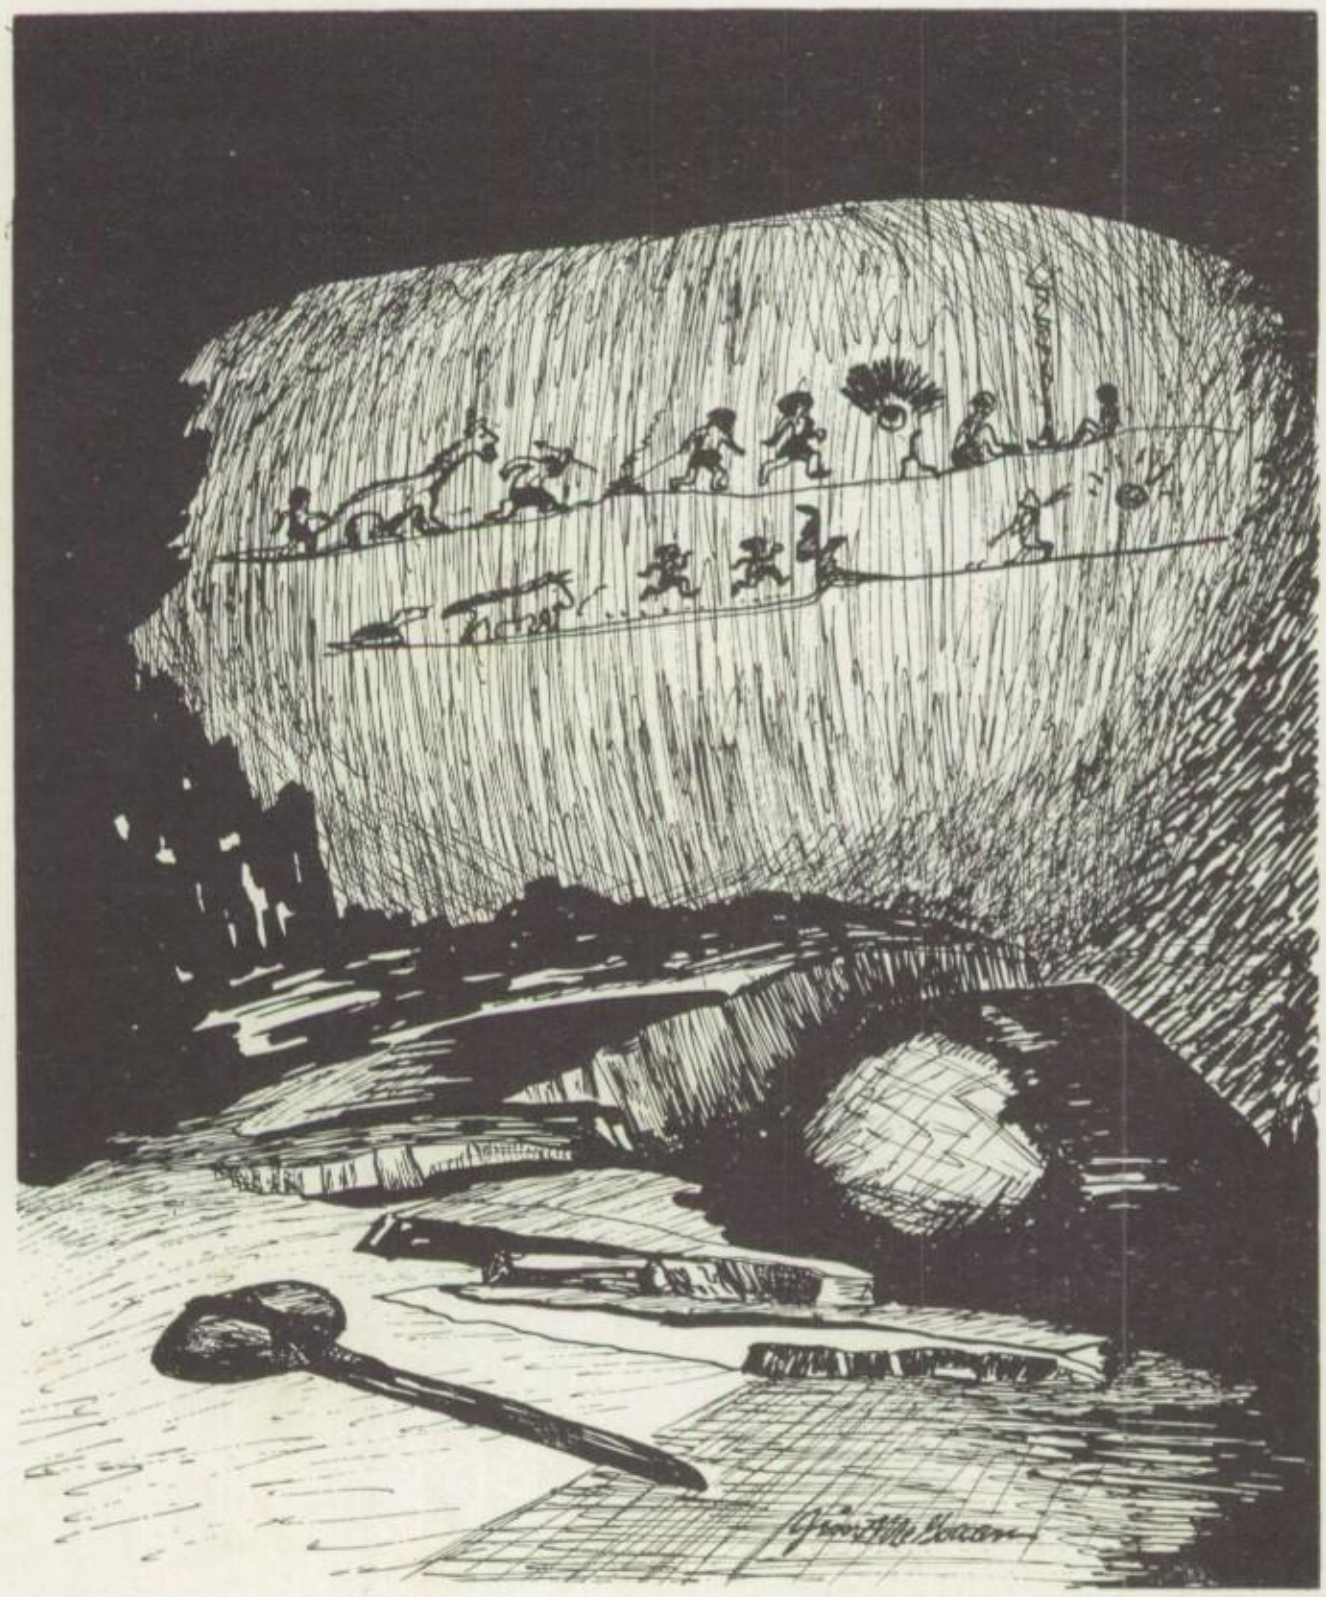
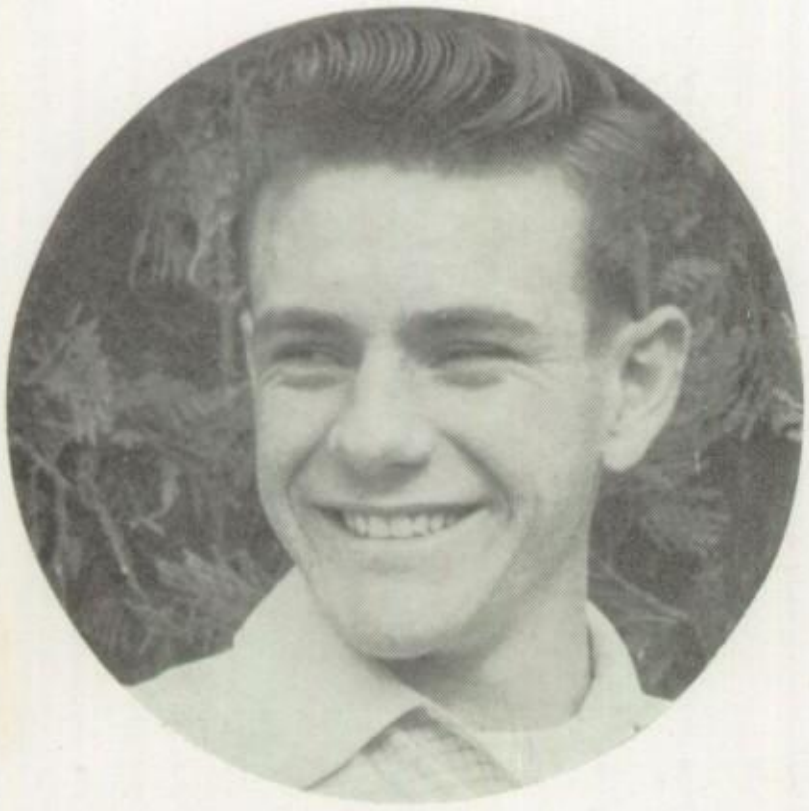
STUDENT GOVERNMENT





BILL CLARK

Successful leadership of all A.S.B. activities is the responsibility of our congenial Student Body President, Bill Clark. He very ably administers on all problems arising before the Commission.

ANNE GEIBERGER

The office of Commissioner of Finance involves much work and responsibility. In supervising all A.S.B. expenses, including those of clubs, and keeping accurate records of these, Anne Geiberger has proved herself an indespensible member of the Commission.

DONALD NYRE

As Commissioner of Cultural Affairs, Don took upon his shoulders perhaps one of the most difficult positions on the commission, that of planning assemblies. Ample proof of his efficiency were the many fine assemblies which the student body witnessed throughout the year. Other duties also included drawing up the calendar of events for the school year and aiding with Alumni Day.

LOUIE LICHTY

In charge of all A.S.B. dances and elections and superviser of the G.S.C. is Louie Lichty, our very efficient Commissioner of Welfare. The successful administration of these and many other school activities are due to Louie's careful planning.

RAY GASTIL

Ray is largely responsible for the democratic and smooth-running mechanism which makes up our Student Council. As commissioner of Co-ordinated Activities, he has handled the many drives, which included the Red Cross, March of Dimes, Milk Fund, Clothes for Europe, the Navahoes, and the Blind, with the utmost competence and efficiency which has produced excellent results.

MARY ANN HARTMAN

As Commissioner of Publicity, Mary Ann had to discharge many varied duties. Her main line of work was to publicize all activities sponsored by the A.S.B. She gave help-worthy advice to any club wishing to publicize any activity. Her job also required of her that she tabulate the Circle "G" points.

JIM HASLAM

The supervision of athletic events and the ordering of letters and awards made up but a few of the tasks of the commissioner of Athletics. One of his biggest problems was to arrange seating capacity for the enormous crowds which attended all the athletic events. "Lum's" unperturbed and speedy manner of handling difficult situations commanded respect from everyone who worked with him.

TICKET SUPERVISOR AND ASSISTANT

Thomas De Reimer is assisted by Dave Ramirez as Supervisor in charge of ordering and selling tickets for all games.

HISTORIAN

Edith Clark is our very excellent A.S.B. Historian, who has charge of keeping a permanent record of all 1947 and '48 A.S.B. activities.

CLERK

The A.S.B. clerk, Betty Proctor is our very capable jack-of-all-trades. She is the last word in efficiency.

TICKETS SQUAD

M. Owens, C. Walters, S. Longman, N. Mathison, T. De Riemer, D. Rameriz and D. Leptich.

STUDENT COUNCIL

The student council strives to let the common student in on the workings of the commission and all the important doings around school. Bill Davis headed the council and he was assisted by an efficient cabinet and reliable representation from each class room.

The 1948 "model" of the Boys' Federation has been perhaps the most active and best organized Federation Grossmont has had in many a year. Proving to be one of Grossmont's most alert and active classes, the mighty seniors sponsored such activities as the Alumni Homecoming Dance in cooperation with the Alumni Association, the "Senior-Only" Valentine Dance, the traditional selling of sweaters, ordering of caps and gowns, announcements, planning Ditch Day, Baccalaureate, and graduation.

RING COMMITTEE

This year's junior class seems to be well prepared to meet the "trials and tribulations" of the senior year. Electing their officers at the end of the sophomore year, the junior class was soon well organized. This group immediately selected and ordered their traditional rings which enabled them to have the rings at the beginning of this term.

SOPHOMORES

The upperclassmen would have seen much had they noted the quiet, efficient way the sophomore class officers engineered the election which enabled their younger colleagues, the freshmen, to get their class underway. The class sponsored a well received dance during the last semester for sophomores and their dates.

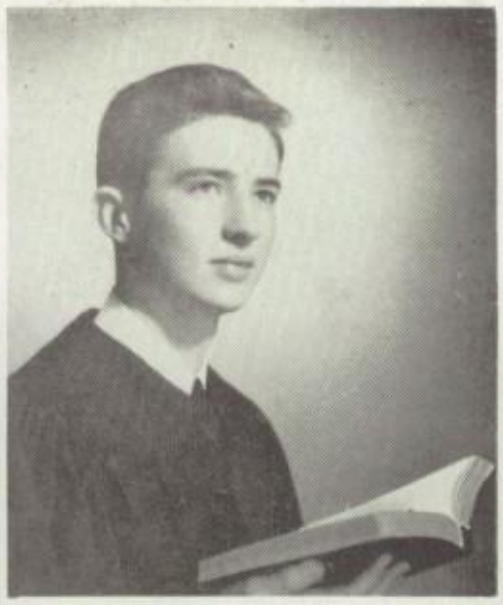
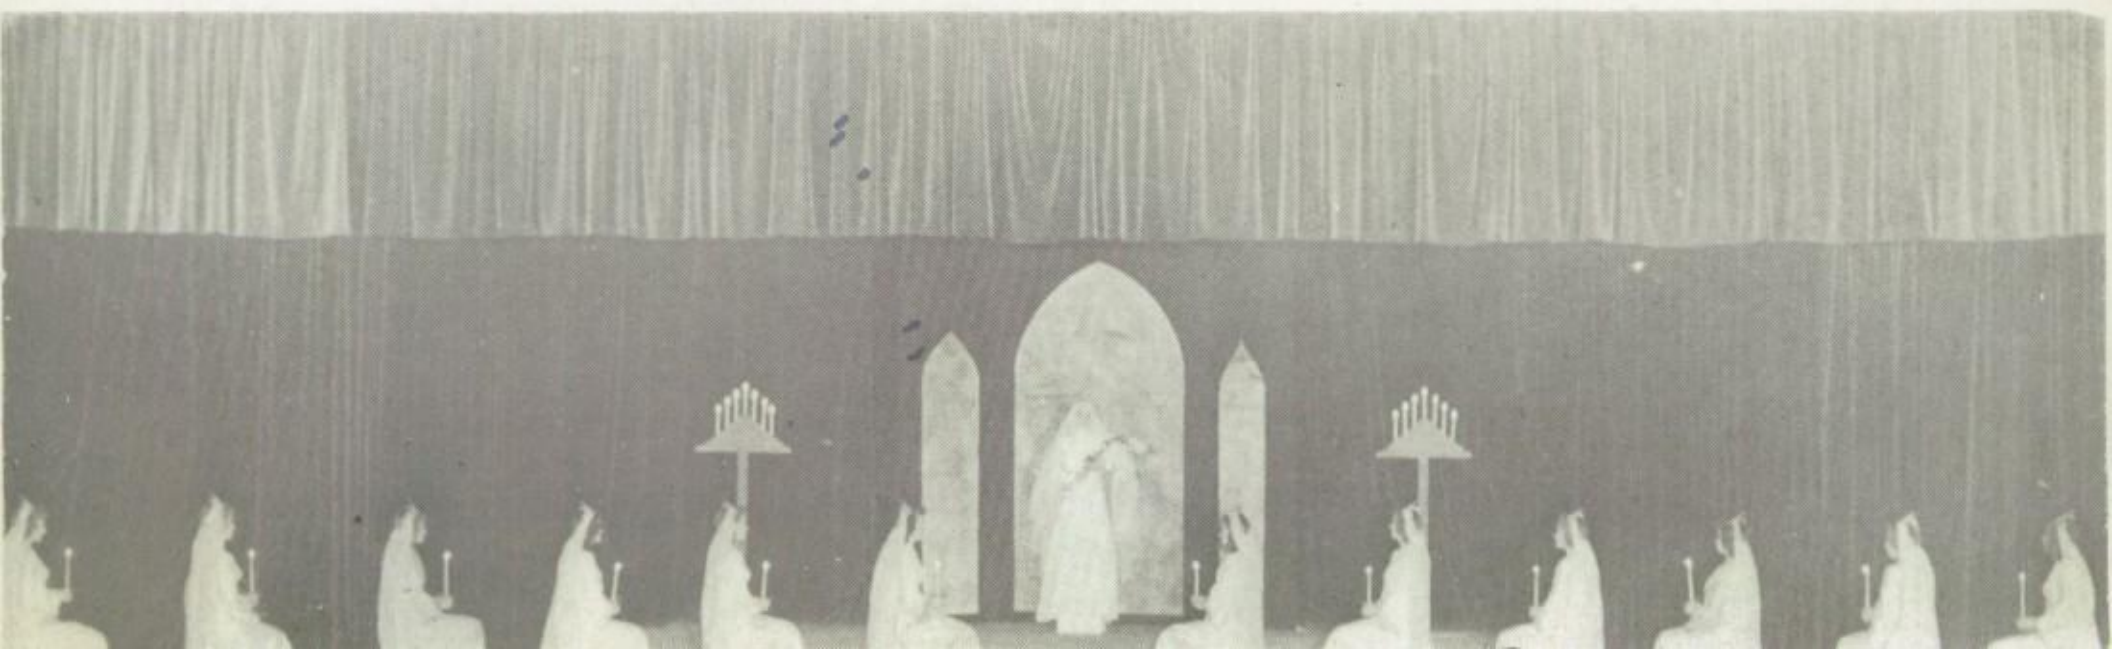
CHRISTMAS PAGEANT



Grossmont's annual Christmas Pageant is a profound inspiration to the thousands who behold it each year.

Its reverence and beauty lend increasing importance to the feeling of Christmas Spirit which this season brings.



STAGE CREWS

The sound, light, and stage crews may be termed "The Forgotten Men" of Grossmont. However, it is largely due to their effort that each production has been smooth and successful.

VOCAL MUSIC

The vocal music department has proved itself to be very active this year. The A Capella Choir sang for the Elks Convention in the Ford Bowl at the beginning of the year and participated in many other programs as well. This included going to a musical contest in Redlands this spring. Mrs. Merle Donohue directs the choir as well as the Girls' Ensemble and the Boys' Double Quartette which have been very busy with varied schedules.

ART AND PHOTOGRAPHY

Can you imagine a world without art? It would be dull and very uninteresting, would it not? Today as never before art is coming to mean a great deal to us. Constant progress in the field of photography has enabled the greater expansion of fact and ideas. Indeed, art lends a cultural and enriching influence to our lives and aids us in better judgment of the beauty about us.

HOME ECONOMICS

Many Grossmont students are now acquiring excellent knowledge of home administration which will prove indepensible in planning future homes. The home economics classes impart first hand information on such lost arts as burnt toast and crooked seams; that is, they explain the best method for avoiding them.

ENGLISH

Grossmont has an exceptionally fine English Department, devoted to preparing the student with a wide intellectual background. There are three types of courses offered; college preparatory and reading group and non-college preparatory.

LANGUAGE

Habla Espanol? Parlez Vous Francais? Or are you one of those unusual Grossmonters whose only language culture consists of an advanced course in American Slang? VARSITY FOOTBALL

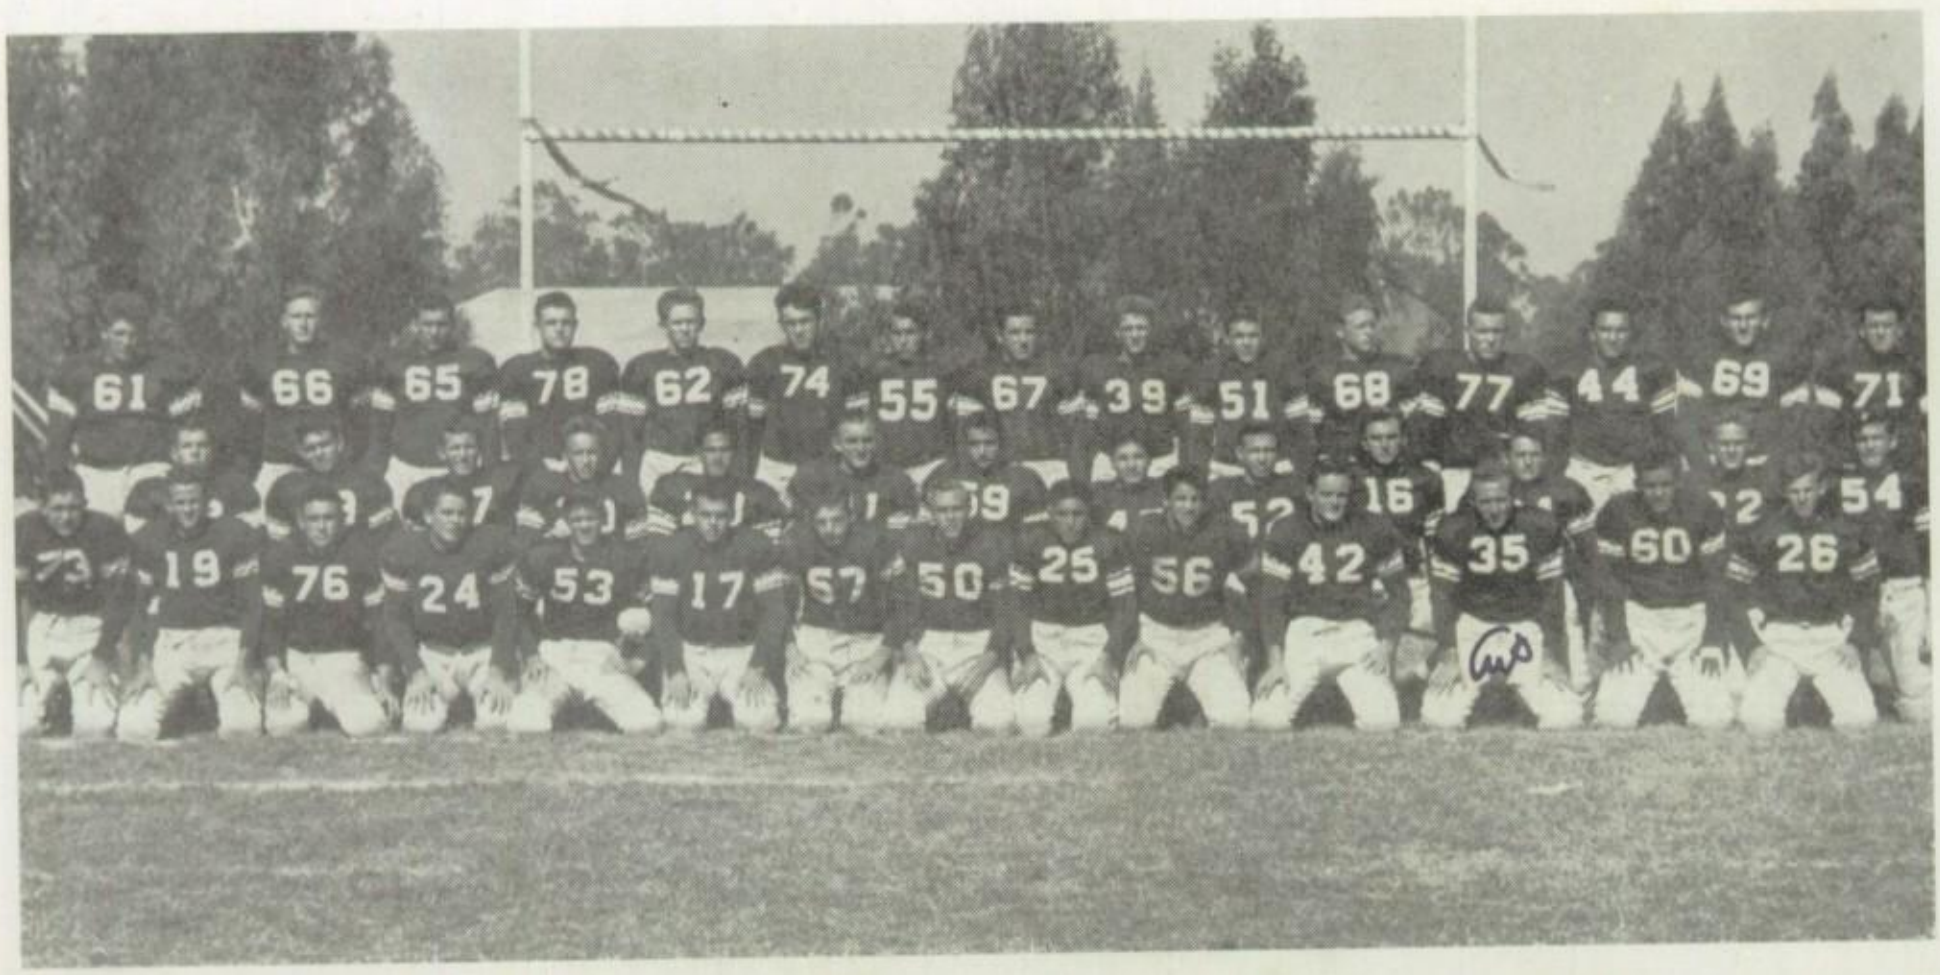
The '47 varsity squad was one of the fastest, most efficient moving moving mechanisms in the history of Grossmont. Clicking at the season's opening, the team literally rolled over "all Corners" and finally brought the Metro League Championship home without one intra-league defeat. Probably the outstanding game of the year, and the one in which the team reach peak efficiency was the much disputed Grossmont-Sweetwater event, which ended in a 18-13 Grossmont victory.



John T. Mulkey—Gym Manager

FOOTBALL MANAGERS

J. V. FOOTBALL

If the J.V.'s showing in the '47 season is significant of what is to be expected of the senior varsity in '48, they will be contenders for the league championship again. The team played the entire season, undefeated and tied Hoover in an 0-0 stale-mate.

VARSITY BASKETBALL

Ralph Chaplin—Coach

Despite bad luck, this year's varsity had a good season, tying for fourth place in the Metro League with four wins and four losses. They rang up 260 points to the opponents' 219 in eight league games. The four defeats were heartbreakers, all four being lost by three or less points. The Foothillers lost to Coronado's Metro champs by only one point. All league Charlie Cannon sparked the Mesans with his uncanny accuracy, which netted him 81 points in six league games. Ray Funk, colorful team captain, held the team together with his all around play. Kenny Whitcomb, who received all league honorable mention, proved to be a dead shot in the clinches, while lanky Jim Haslam snagged rebounds, and Mike Fletcher, a dead shot from the other forward spot, rounded out capable Coach Chaplan's team.

BEES

The Foothill Bee squad, one of the best in Grossmont's history, went through the Metro League without a defeat and ended with a seasonal record of 18 won and 1 lost, marking up 309 points to the opponents' 174 in eight league games. Sparking the team offensively were Captain and all league, Herb Rothwell with 77 points, second string all league Don Baker with 78 points, and all league Fred Weinbrandt with 40 points in eight league games. The defensive aces proved to be Bob Walker, chosen most valuable player and all league honorable mention

C AND D BASKETBALL

Their enthusiasm proves that the C and D teams will make a bright record for themselves and Grossmont as varsity stars in the future.

TENNIS

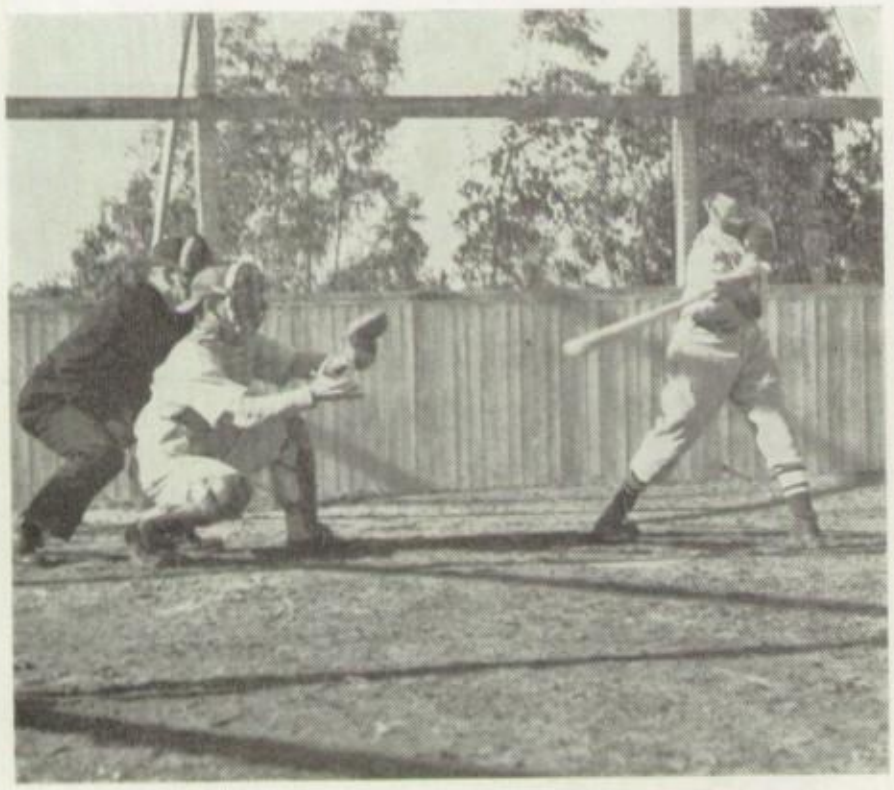
Under the able coaching of Walter Barnett, Grossmont's strong net squad has won the Metro League Tennis Title for the past four years. Led by Reynolds McCabe and strengthened by Keith Self, the Foothiller netters have proved that they are all powerful.

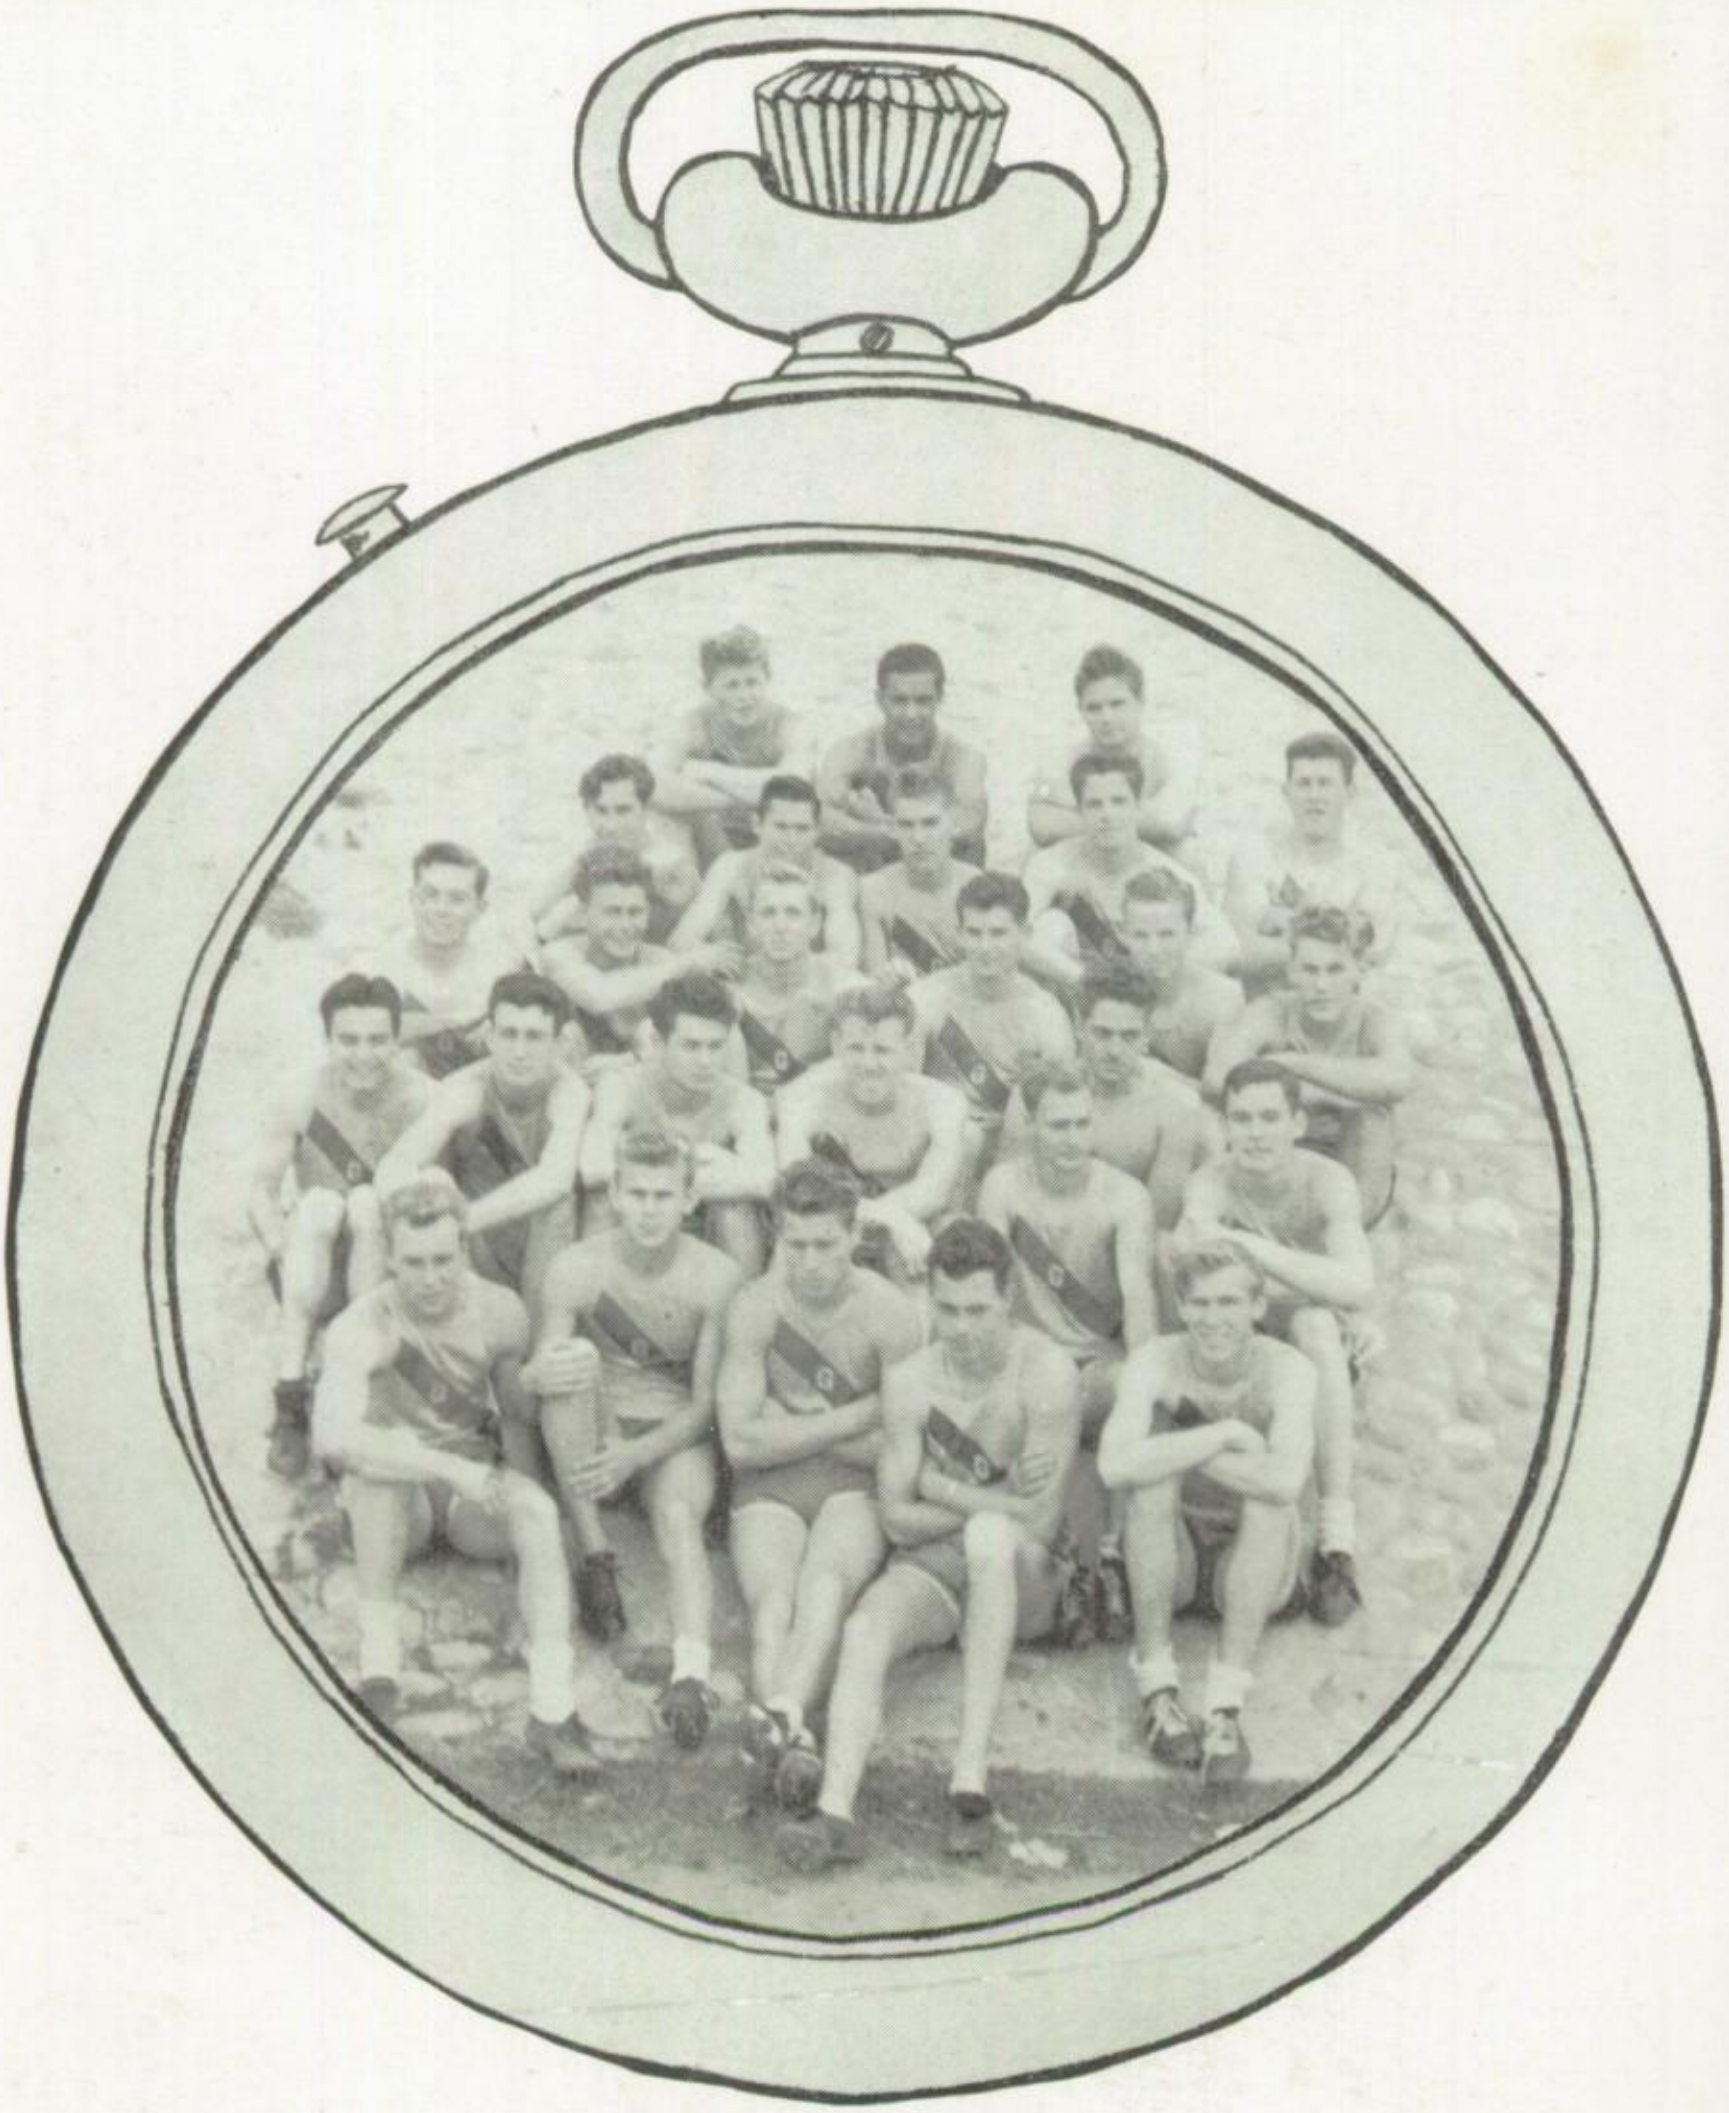
BASEBALL

The Foothillers boast a strong pitching staff with Art Preston, Fred Wienbrandt, and Dick Thompson doing most of the hurling. The Foothillers also have a strong batting punch spearheaded by Dick Rand, Halbert "Red" Crow, Jack Graham, and Art Preston.

Dick Rand and Halbert Crow were named on the All Metro team last year, while Art Preston was named on the second string. All three should be repeaters on this year's squad. Grossmont is one of the pre-season favorites to cop the Metro Flag.

Lawrence Head—Gym Director



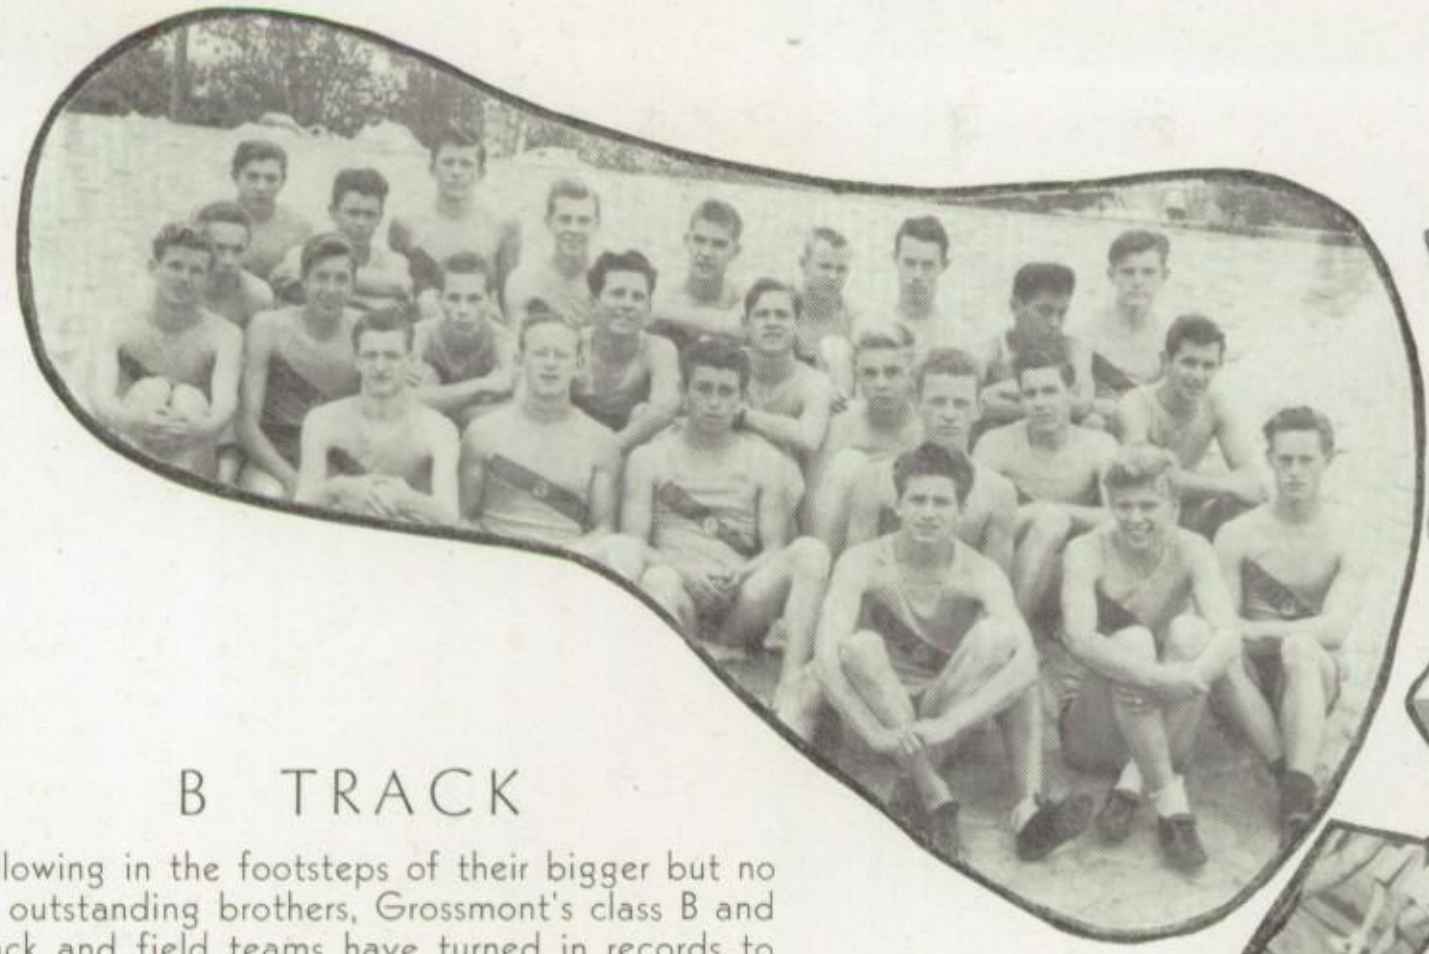


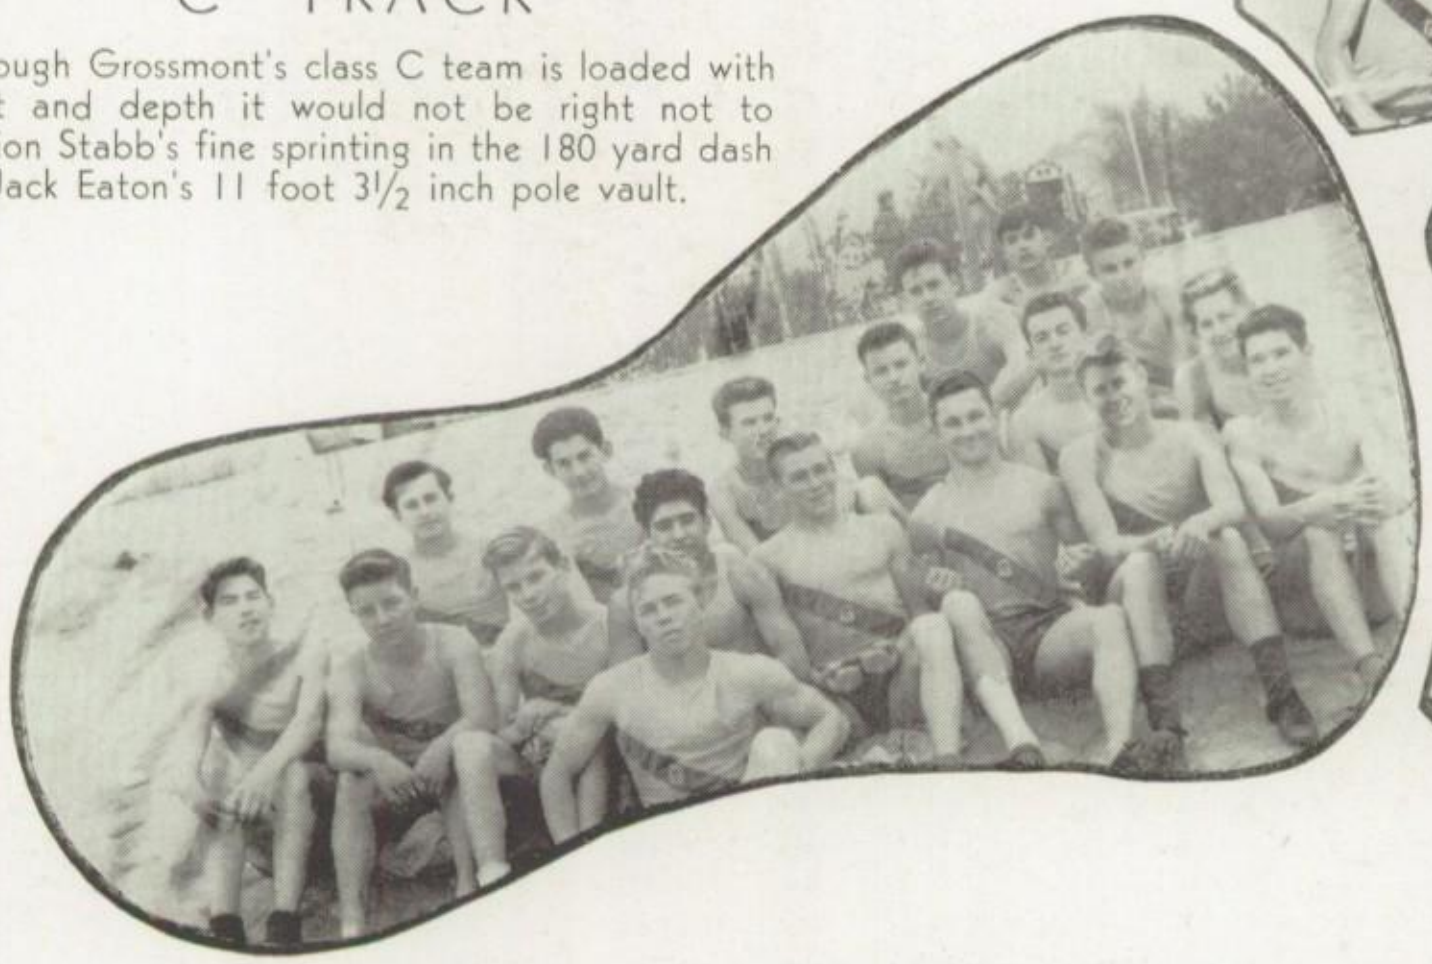
A TRACK

Grossmont High's 1948 championship edition of class A thinclads is rated to be the strongest dual meet track and field team of the many fine track teams which Grossmont has produced over the many years of the school's existence.

This season's team compiled a highly enviable record in view of their many fine showings this season. Among the more prominent of the events were the Long Beach relays and the Huntington Beach relays in which we placed third, and the Fallbrook relays in which Grossmont's relay team placed first in the large schools division.

Because many of the members of the team have broken many records and given such a good account of themselves, it is almost impossible to name any one star, but among the more outstanding contestants were Jimmy Weed's 10.1 in the 100 and 22.3 in the 220, Hal Norris's shot put of 52' 6½", Martin Donahue's 4.37 mile, Ray Fobert's high jump of 6', and Jhea McCloskey's 16 flat in the high hurdles, and last but not least Grossmont's three sterling pole vaulters Duanne Pussey, Con Swanson, and Ralph Buckner who have all cleared 12 feet in their vaulting.





B TRACK

Following in the footsteps of their bigger but no more outstanding brothers, Grossmont's class B and C track and field teams have turned in records to be envied by all.

Although the B's were upset by a strong La Jolla B team and will place second in league competition they have been no less superlative than the championship C's.

Among the outstanding marks set in the class B were Martin Donahue's 3:24 in the 132-, Walter Smith's broadjumping of 20 feet, Dave Smith's outstanding pole vault and Bob Rogers' 1:30 in the 660.

C TRACK

Though Grossmont's class C team is loaded with talent and depth it would not be right not to mention Stabb's fine sprinting in the 180 yard dash and Jack Eaton's 11 foot 3½ inch pole vault.
